Our proudly Italian restaurant from Chef Francesco Mazzei and D&D London. Fiume (the Italian word for *river*) sits right on the bank of the River Thames in Battersea Power Station's Circus West Village.

With unrivalled views of the Thames and a large Mediterranean piazza-style terrace to enjoy them from, the restaurant is the perfect setting for tucking into rustic southern Italian recipes and aperitivos. Inspired by the traditional food of Francesco's homeland, the Mezzogiorno, the restaurant will serve wholesome, hearty recipes made with fresh, vibrant ingredients from the Med.

Whether it is for brunch, lunch, aperitivo or dinner, Fiume is a beautiful laid-back spot to spend time with your friends and family.
